Senator Chambers amendment up there to strike section 9.
I think there are some problems with that language and
the current language in the statute with regard to
training already on reserve deputies. I think it would

training and does not affect that reimbursement section.

standards in training qualifications are in written
form in some little manual.

PRESIDENT: Are they in amendment form referring to
what matter stricken and so forth?

SENATOR DeCAMP: There is no stricken matter. There
is no matter to strike. They are just additional words.

PRESIDENT: All right. And you move adoption of these
amendments.

SENATOR DeCAMP: Let me read them so there is no mis-
understanding on them.

PRESIDENT: All right.
